**Subject:** DOCKET NO. SDWA-10-2013-0080 / Groundwater Monitoring Well Installation Activities - Sunday, August 4, 2013 Update  
**Date:** Monday, August 05, 2013 5:42:11 AM

---

Rene,

For Sunday, August 4, the boring YVD-04 was allowed to sit overnight. Cascade circulated air down hole, but no water was observed. In addition, Cascade needed to bring more drill casing to the site from Portland. No other work was performed. Drilling will resume Monday morning.

Please let me know if you have any questions.

Tom
